## Activities and Honors

---

### Volunteer Experience:

#### Voxxed Days Thessaloniki | [November 2023]

- Managed registration, directed attendees, and organized badges for Voxxed Days Thessaloniki.
- Oversaw room logistics, assisted staff, enforced entry security, and ensured speakers adhered to time limits.
- Played a pivotal role in the success of the event, contributing to a positive experience for attendees.

## Experience

---

Taverna Bouloukos | Paxos, Corfu

### Senior Server

06/2020 - 09/2023

- Steadfastly managed the bustling place of service, skillfully attending to the needs of 250-300 discerning customers per shift, embodying the restaurant's reputation for quality.
- Masterfully memorized an extensive repertoire of over 30 menu items and rotating specials, showcasing a commitment to delivering a personalized dining experience.
- Demonstrated a commitment to excellence by consistently achieving a 100% success rate in resolving customer concerns, solidifying the establishment's reputation for outstanding customer service.
- Warmly greeted both new and returning customers with a genuine and personable approach, fostering connections that translated into unwavering customer loyalty.
- Implemented and rigorously maintained up-to-date cleanliness and social distancing policies in response to the COVID-19 outbreak, ensuring a safe environment for both employee and customers.

## Education and Training

---

Paxos High School | Paxos, Greece

**High School Diploma**

06/2016

International Hellenic University | Thessaloniki, Greece

**Bachelor of Engineering** in Information And Electronic Systems Engineering
